Deakins Enterprises, LLC

Builder Profile

The Deakins family has been building homes starting with John Sr. in the 1960s. He was joined by his son, John Jr. in 1972. Teresa Deakins, wife of John Jr. joined the company in the 1990's. In 2014, the company added John III. Deakins Enterprises, now consisting of John Jr. and John III, focuses on the kind of quality construction that we would expect to see in our own homes. We love to provide homes that owners can be proud of for many years to come.
