

Make your first home your dream home with natural gas.

New homebuyers fall in love with natural gas because of lower energy bills and amenities like gas cooking and a gas fireplace. When you choose a home with natural gas, you've made the smart energy choice, because it's efficient, comfortable and clean. To learn about all the great ways natural gas adds value to a new home, visit www.atmosenergy.com/whychoosegas. Atmos Energy, your natural gas company.
